

# TE WHARE RURUHAU WALKING TRAILS

1

## SWIMMING HOLE - WAI KAUKAU

Time: 20 minutes (one way) Difficulty: moderate

Highlights: Take a dip in our swimming hole (access from side stream)

Notes: This path has two short steep sections, please watch your step.

The swimming hole is ~2 meters deep in the deepest section, please only attempt entry if you are a competent swimmer.

**NEVER DIVE INTO THE WATER.**

The pure mountain stream water is very cold, please use caution.

2

## OBSERVATION HILL - PUKE TIROTIRO

Time: 15 minutes (one way) Difficulty: moderate

Highlights: Great views of the cabin and along the Mangamingi Stream valley

Notes: This path has a steep section, please watch your step.

3

## LOOKOUT POINT - WĀHI WHAKATA

Time: 2 hours (one way) Difficulty: difficult

Highlights: Great views high above the cabin, and track finishes in the alpine shrub above the tree line.

Notes: This track is still very rough, however if you are very fit and familiar with wilderness walking, you can follow the orange poles to the ridge line.

This path has numerous steep section, including crossing clay pan with loose soil, please bring walking stick and watch your step.

4

## PICNIC SPOT - TE ARA

Time: 30-45 minutes (one way) Difficulty: moderate+

Highlights: A casual stroll through the tussock with views over cliff sides and past some of our bee hives.

Notes: There is a patch of slippery/muddy ground on the far side of the first bridge you come to, please watch your step

If you head up into the beech forest, please note that the path currently follows a narrow ledge around a large boulder, please be very careful if you choose to continue past this point.
